She came prepared, with plenty of information about where she was going!1 of 1 people found the following review helpful. one of my favorite entries in the sasek series!By Mindful Consumersasek's books are all visually lovely, no doubt about it, however they are also incredibly informative, which i quite appreciate. this book is littered with amazing images and interesting facts. it also makes me wish i could go back in time to see new york in this era.and as with all the updated printings of sasek's books, there is a welcome list of "this is the state...today!" at the end of the book with changes listed since the original printing. it is great to see both the way the state WAS as well as the present day differences.i highly recommend this book if you are interested in either new york, or simply in wonderful illustration.1 of 1 people found the following review helpful. Fun booksBy Teresa J. VincentThese are fun books, I'm buying them a few at a time for my first grand baby. I read her her first book "This is San Francisco" when she was hours old. The pictures are cool and the information is interesting for patents, too.

Based on Rizzoli's best-selling book by Miroslav Sasek, This is New York 2017 Wall Calendar features imaginative and stylized interpretations as well as up-to-date facts and figures about the most popular city in the world. This is Times Square, Central Park, Trinity Church, Greenwich Village, the Statue of Liberty, and the Brooklyn Bridge. Here are the buildings, traffic jams, bright lights, and excitement!

"I love the way this classic storybook depicts New York living--it makes it seem so magical." ~Contributing editor for Pregnancy Newborn
"This is New York covers the rich gamut of cultural influence that makes this city great...enjoy every detailed moment - from hot dog carts to squirrels, this is one Sasek book you don't want to miss." ~kids-bookreview.com
"This classic storybook shows many details of city life with cartoon characters and colorful illustrations. It works in a childrens bedroom or on a coffee table." ~Globetrotting Mommy
