Anne Hart, JPM Publications : This Way Alaska before purchasing it in order to gage whether or not it would be worth my time, and all praised This Way Alaska:

It isnt all polar bears and Eskimos. Americas 49th state covers three climatic zones, with landscapes varying from evergreen forest to treeless tundra. Glistening glaciers that gallop and groan, coastal communities clinging to the traditions of their Russian or Scandinavian founders, an 800-mile oil pipelineAlaska is almost larger than life. Size:

14x10 cm. Colourful pictures.
