0 of 0 people found the following review helpful. A real estate agent recommended it By Tammi L. Coles..so I bought one. It gets me everywhere I need to go in the metropolitan area -- VERY comprehensive, extra large pages, excrutiating detail and bonus overlays of metro transit. Spiral bound, so I've even pulled out pages. Very helpful when I was house hunting (although it didn't ensure a purchase in this mad region). I am here at today because I finally want

to buy the 2005 version.
