Jonathan Carver : Three years travels through the interior parts of North-America before purchasing it in order to gage whether or not it would be worth my time, and all praised Three years travels through the interior parts of North-America:

Three years travels through the interior parts of North-America for more than five thousand miles containing an account of the Great Lakes and all the lakes, islands, and rivers with a description of the birds, beasts, reptiles, insects. This book, "Three years travels through the interior parts of North-America", by Jonathan Carver, is a replication of a

book originally published before 1784. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.
