Matthieu Ricard : Tibet: An Inner Journey before purchasing it in order to gage whether or not it would be worth my time, and all praised Tibet: An Inner Journey:

40 of 41 people found the following review helpful. The reality of Tibetans made richly presentBy Edward C. CarpenterThis is a welcome addition to other books published in recent years by Ricard. While it reproduces some photographs that can be found in The Spirit of Tibet and Monk Dancers of Tibet (in themselves, wonderful books), Tibet, An Inner Journey is Ricard's fullest photographic offering to date, closely covering a number of events and aspects of Buddhist life in Tibet, with an extensive focus on the Tibetan people themselves. I can't imagine another book that brings this people so close to the reader. It makes a persuasive plea for humanitarian assistance to preserve them and their unique Buddhist heritage.0 of 0 people found the following review helpful. beautiful photographs.By Ned R.Well organized...beautiful photographs.0 of 0 people found the following review helpful. Five StarsBy Keith D. MeltonBeautiful. Makes me want to go there and see this way of life with my own eyes

A unique combination of intimate close-ups, awe-inspiring landscapes, and ancient religious rituals. Unbelievably colorful.San Francisco ChronicleTibet is the Roof of the World, a place where you feel that you are in the sky just as much as you are on the earth. The intense blueness of space contrasts sharply with the deep green of eastern Tibet's rolling grasslands and the mineral colors of the west with its expanses of barren rock. For over a thousand years, Buddhist culture has been at the heart of Tibetan society, and anyone who has traveled across the high plateaux will understand how this contemplative civilization flourished in a landscape of such vastness.Matthieu Ricard, from the IntroductionHere Ricard seeks to bear witness to all that survives of that ancient world a world capable of making a

valuable contribution to contemporary life. He provides a glimpse of a unique culture that is desperately trying to preserve its authenticity, despite the major upheavals that have shaken the land of its birth. 191 color illustrations

Matthieu's spiritual life and his camera are one and the same, and it is from this unity that these fleeting yet eternal images spring. - Henri Cartier-Bresson
Has captured the spirituality, purity and courage of the people of Tibet, along with the beauty of their homeland. - Inquiring Mind
About the Author
The Dalai Lama's French interpreter since 1989, Matthieu Ricard lives in the Shechen Monastery in Nepal.
