Five Stars By Kenneth Hartford a must for spurs fans

In the 40 years the San Antonio Spurs have been in the NBA, Tim Duncan played 19 of them. A star from the moment he put on the Silver and Black, and productive through his final season, Duncan's career is among the best the league has ever seen. The Big Fundamental won Rookie of the Year in 1998 and his first NBA championship in 1999, on his way to five NBA titles, three NBA Finals MVPs, two NBA regular season MVPs, 15 All-Star game appearances, and

countless other accolades. Perhaps most impressive, he achieved it all without putting himself before the team, and he left the game with his franchise still in contention for an NBA title.
