(author) Time Out Guides Ltd : Time Out London: The Official Travel Guide to the London 2012 Olympic Games Paralympic Games (Time Out London) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out London: The Official Travel Guide to the London 2012 Olympic Games Paralympic Games (Time Out London) (Paperback) - Common:

0 of 0 people found the following review helpful. Good, not greatBy Mr. Photo DudeThe book covers a wide range of places but there isn't a logical rationale for why some hotels covered and others not. If this is your first time to London, I'd buy the Rick Steves' version first. It is simple but the best. This is good but I expected more coverage of the Olympics and Diamond Jubilee. You pay for the color more than the insights. Still, it is nice to have a counter-opinion to Steves'.

Helps you get the best from the iconic British capital. Alongside the historic Tower of London, the 21st century Tate Modern and all the other major attractions, this book gives you the inside track on local culture, with illuminating

features and hundreds of independent reviews covering everything from West End shows to cosy pubs.
