Time Out : Time Out New Orleans 2 (Time Out Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out New Orleans 2 (Time Out Guides):

6 of 6 people found the following review helpful. Absolutely the best By Chris Wooster Travel guides are always a hit or miss affair: who can tell whether the editors came to town with the same mentality as you? Too many are geared for the lowest form of tourist: the pathetic sheep following the herd. Not so with this guide to New Orleans, which has been our touchstone on four separate trips to the Big Easy. Thorough, up-to-date, and above all HONEST. Strongly

recommended for anyone visiting for the first time, and especially for anyone returning for a more "refined" visit to the city.¹

Researched and written by residents of the city, this guide has been updated to give information on sights, music, shops, restaurants, nightlife and festivals. Details include how to spend the perfect Mardi Gras, where to find the best Creole and Cajun food and trips out of the city.
