**From Time Out : Time Out New York For Visitors (Time Out Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out New York For Visitors (Time Out Guides):

0 of 0 people found the following review helpful. Five Stars  
By S S  
Good review of New York City. For a general idea of the city this is a good magazine.  
0 of 0 people found the following review helpful. Abbreviated guide to NYC-- really all you need  
By Blue in Washington  
Was looking for an updated Time Out guide for New York City and found this version in magazine form. It is a terrific value more than any would need for a week or less in NYC. Great sections on museums, theater, music, restaurants and neighborhood roaming. It strikes a good balance between basic info and insider gossip and what and when to avoid events, traffic, rip off stores, etc. Good also for nightlife. We used it to find a hotel and to navigate the West Village where we based for three days. Get this magazine-ish guide and you really won't need anything else.

The newly updated New York for Visitors guide is bursting with interesting cultural features and expert local information with a New Yorker's perspective. This is the perfect great-value guide for every new visitor to New York on a short weekend break looking to get the most out of the city.

About the Author All Time Out Guides are written by a team of local journalists.
