Fun and Simple To Follow Guide to the Vast CityBy Bonnie NeelyTime Out New York (TONY) , which is updated annually, is a MUST for anyone visiting the city. The first chapter is a concise and fascinating history of New York, outlining important events throughout its vast history. Proceeding through this indispensible guidebook, you'll find detailed information about where to stay, eat, and drink,

and the places and events not to miss in each neighborhood of the vibrant city. Because the guide is written by locals, the recommendations and warnings are pertinent and current from people "in the know," who astutely guide residents and visitors through the maze that would be overwhelming without this terrific guide. Each place listed also has address, phone, and often website listed, as well as prices and review. The maps in the back of the book are easy to read and the book is well organized and indexed
