Paul Coughlin : Timeless New York: A Literary and Photographic Tribute before purchasing it in order to gage whether or not it would be worth my time, and all praised Timeless New York: A Literary and Photographic Tribute:

Perfect for those who visit New York each year as well as for the residents of the mighty metropolis, this is the ideal souvenir and companion for those who love New York's buildings, parks, and colorful neighborhoods. Elegant sepia-toned photographs capture the constantly changing unique character of urban life against the backdrop of New York's world-famous landmarks, while commentaries provide factual description and detail. Excerpts from the writings of such notable New Yorkers as Woody Allen, James Baldwin, Walt Whitman, and Edith Wharton further reveal the richness of this amazing city.
