Mac Engel : Tony Romo: America's Next Quarterback before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tony Romo: America's Next Quarterback:

1 of 1 people found the following review helpful. Very good!!!By miv1914Very many excellent pictures. General introduction to the Dallas Cowboys. Very easy to read. Paperback cover, but thick. Thick nice paper. Very colorful, good setting, and well presented. Starts with young high schooler Romo and finishes with his greatest 2007 performance with the Cowboys up to his new contract extension of \$67.5 through 2013. As the author states: "Tony Romo, the player that no Division I wanted, and the one I-AA program that did offer only a partial scholarship. Tony Romo, the player 32 NFL teams passed on the draft seven times each. Tony Romo ... America's Next Quarterback." With diligence, working hard and belief, you can reach farther than the stars. Excellent example for young readers. Tony Romo is a leader. Buy it! Enjoy it!0 of 0 people found the following review helpful. Five StarsBy

jenrnMy son loves Tony Romo and he loves this book.1 of 1 people found the following review helpful. Fast and Fun ReadBy Caroline GriggsThis book is an easy and quick read. It provides both a photographic and descriptive background, with insight into the man behind the helmet.A must buy for any Tony Romo fan.Very enjoyable!

Depicting the reigniting of a fan base that has known such celebrated and colorful quarterbacks as Don Meredith, Roger Staubach, and Troy Aikman, this book shows that Tony Romo has emerged as next in succession of great signal-callers for the Dallas Cowboys. From growing up in Burlington, Wisconsin, and his days at Eastern Illinois University to his sudden rise to fame with the Cowboys, this is the story of America's next quarterback.

About the AuthorMac Engel is an adjunct professor at the Bob Schieffer School of Journalism at TCU and a journalist who covers the Dallas Cowboys for the Fort Worth Star-Telegram, where he formerly wrote about the Texas Rangers and the Dallas Stars. Notable events he has covered include the Olympics, the Stanley Cup Finals, the NBA Finals, the Super Bowl, and the American League Championship series. He has written several travel stories and reviews of movies and books.
