Patricia Harris, David Lyon, Jonathan Schultz : Top 10 Boston (EYEWITNESS TOP 10 TRAVEL GUIDE)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Top 10 Boston (EYEWITNESS TOP 10 TRAVEL GUIDE):

2 of 2 people found the following review helpful. Good Boston city guideBy BookLoverLove the DK Eyewitness travel guides and have bought many of them. In this case we bought both the DK Eyewitness Boston and Top 10 Boston books in anticipation of guests coming to visit us now that we've relocated to the Boston area. We were hoping to find information about historic homes, public gardens, and other lesser known sites in the greater Boston area. Both of these titles are great for Boston proper; but the reason I gave them only 4 stars is that they only cover the city of Boston and in the outlying areas section Cambridge, Concord and Lexington. Unfortunately nothing on Salem, the North Shore, Plymouth and other surrounding areas of interest. If you are visiting Boston and intend to stay pretty much in town then these are good guides for you. If you are on a more extended stay and want to find out about the surrounding areas you will need to supplement with another guide.5 of 5 people found the following review helpful. Very HelpfulBy MeghanWe used this guide both before we went to Boston and while we were there. It provides great information along with pictures which was helpful in determining what we wanted to see and do while on our trip. I just wish it had more reviews of moderately priced restaurants. Most of the restaurants that were discussed were pretty expensive.9 of 10 people found the following review helpful. Does not work well offline. Not same as paper version.By RISFree apps from App Store were much useful than this book for my first trip to Boston.I liked paper version of Top 10 series because there are lots of pictures and maps so I bought Kindle edition and downloaded to my Ipad mini. However this kindle version, there is no picture, maps are separated from the article and those maps are useless (missing keys). Most of important or useful information are at the website so you have to connect to network and open it to see. Index was hard to use, too.Overall, I feel the purchase was waste of money.

DK Eyewitness Top 10 Guides make any destination accessible by offering dozens of lists of the 10 best restaurants, bars, neighborhoods, hotels, local attractions, and much more. With insider tips for every visitor, the Top 10 series offers inside knowledge, and now contains a pull-out map and guide that includes fold-out maps of city metro systems, useful phone numbers, and 60 great ideas on how to spend your day.

Wanderlust Travel Awards 2009 2014 "This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overviewloaded with practical and useful content." Gadling.com "Knownfor its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." Chicago Tribune "The best optionColor photos, maps, and diagrams bring the place to life." The Philadelphia Inquirer
