This book is the same quality as others I have purchased. Great recommendations, maps and details of hours, costs and discounts!1 of 1 people found the following review helpful. DisappointingBy David WaldPretty obvious stuff. If you don't know anything and want to go where tourists go this is the book for you. Otherwise you can find all this in an hour on the internet.2 of 2 people found the following review helpful. This is a great little pocket guideBy pat tackettThis is a great little pocket guide, only problem I have is that the print on the map is really small, I have trouble reading it.
