Jean Arthur : Top Trails: Glacier National Park: Must-Do Hikes for Everyone before purchasing it in order to gauge whether or not it would be worth my time, and all praised Top Trails: Glacier National Park: Must-Do Hikes for Everyone:

Written by local author Jean Arthur, *Top Trails: Glacier National Park* leads visitors to secluded trails and unique settings while providing details of current and past human activity, wildlife movement, and geologic changes that altered the landscape and created America's tenth national park. The unique approach of *Top Trails: Glacier National Park* reveals the best trails that wind alongside sensitive meadows and climb above crystalline lakes and leads hikers to backcountry respites unique to Glacier. The guide also traces outlaws, poachers, and mining ventures that occurred inside the current park boundary.
