Pat Kramer : Totem Poles before purchasing it in order to gage whether or not it would be worth my time, and all praised Totem Poles:

0 of 0 people found the following review helpful. Totem poles and First Nation people who carved them. By Jerald H. Excellent book. Discusses the history of Totems poles and the First Nations people of the coastal area. Alot of good information. 1 of 1 people found the following review helpful. Beautiful Totem Pole Book By sinnerarity For the price this was an incredible deal. A really great explanation of the major characters and characteristics of Totem Poles. Lots

of great photographs, and descriptions. 0 of 0 people found the following review helpful. Five Stars
By margaret k.gift
for coworker they loved it

This book guides readers to the many places in British Columbia, Washington and Alaska where totem poles can be found and helps viewers understand the "language" of the poles. Learn about their origin and history, the symbols and ceremonies linked to them, types of figures and how to identify them, and where to see authentic poles and pole collections. Pat Kramer spent many years researching the material in this book and worked closely with First Nations to create a fresh and revealing look at these incredible artifacts. Filled with fascinating facts, legends and photographs, Totem Poles is an excellent guide, reference and souvenir.

About the Author Pat Kramer is a long-time resident of BC's west coast. Pat is a naturalist and speaker who works on cruise ships and writes guides for travel connoisseurs who delight in well-planned trips filled with hidden wonders. Pat has travelled the world visiting First Peoples and is an acknowledged expert on the cultures of Northwest Coast First Nations, with whom she worked in educational capacities for more than 20 years.
