**Matt C. Bischoff : Touring Arizona Hot Springs (Touring Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Touring Arizona Hot Springs (Touring Guides):

0 of 0 people found the following review helpful. ... California and Nevada Hotsprings" I expected more and was disappointed, very little useful informationBy walter ruckertafter getting" Touring California and Nevada Hotsprings" I expected more and was disappointed ,very little useful information.1 of 1 people found the following review helpful. Great little guide book !By Howard J. CampbellWe have not had time too visit any of these springs yet but am getting

a group together to go visit some of the more remote ones. My wife and I will be visiting the others that are more accessible as time permits. This little guide book is well put together and will make a great resource to my Arizona touring library. Thanks! 2 of 2 people found the following review helpful. Hot Spring Fizzel By Laura This book is older. I haven't had a chance to see if the hot springs are still accessible.

Detailed information on 33 of the best natural and accessible hot springs in Arizona

From the Back Cover Whether you're seeking a soak or simply out for a sightseeing adventure, let *Touring Arizona Hot Springs* be your guide. Author Matt Bischoff provides detailed information on 33 of the best hot springs in Arizona. Take a trip short in mileage but long on history to Buckhorn Mineral Wells, located within the Phoenix metropolitan area. End a hard day's play at Roper Lake State Park with a relaxing dip in the park's natural hot springs tub. Spend a day in splendid isolation surrounded by spectacular scenery as you soak in the remote Oatman Warm Springs. Grab a towel and a copy of this book and take off for an unforgettable geothermal adventure.
