Andrew S. Dolkart : Touring Lower Manhattan before purchasing it in order to gage whether or not it would be worth my time, and all praised Touring Lower Manhattan:

Three Walks in New York's Historic Downtown

About the Author Andrew S. Dolkart is an architectural historian who teaches at the Columbia University School of Architecture, Planning and Historic Preservation. As a leading expert on New York City, he has served as curator of numerous exhibitions, written extensively on the city's architecture and development, and is well known for his lectures and walking tours. Steven Wheeler is the Archivist of the New York Stock Exchange, where he manages a diverse collection of documents, artifacts, and visual materials chronicling the history of America's premier securities exchange.
