4 of 4 people found the following review helpful. perfect information By Joanne Foster Fascinated by wineries, and intoxicated by cozy B and B's, this is the perfect book for the Texas Traveler. I plan on taking every tour and all I need with me is this book. All the information I could possibly use is inside; maps, dining, festivals, times and dates. It's all

there!! Great job Thomas and Regina!!!

The authors offer an up-close look at Texas vineyards, wineries, and tasting rooms as they take readers along scenic wine-tasting trails that can be enjoyed in just one day or on a weekend jaunt. Each winery's description provides a photo, the address, hours of operation, and information about wine tasting--a great gift for wine enthusiasts. Maps illustrations.

A book on Texas wines that also has 'trails' for travelers, plus recipes to go with the wines. This is a full-service book, not just another listing of wineries. (Michael Lonsford, wine columnist, Houston Chronicle)
