Danny Kessler, Vince Nance : Travel: A Korean's Guide To America before purchasing it in order to gage whether or not it would be worth my time, and all praised Travel: A Korean's Guide To America:

0 of 0 people found the following review helpful. Danny is a unique lens into cultureBy Vincent NanceDanny, it was a pleasure helping you to put this together and writing with you, as always. Your insight into cultures, metaphors, and underlying concepts that run beneath and throughout cultures and societies is so interesting to collaborate with.

Travel: A Korean's Guide To America brings the lessons of Youngsan University English teacher Danny Kessler into comprehensive book form. This book is written as a guide for Koreans who have decided to travel, study, or live in the United States. You (or your parents) are spending a lot of money to go to America. This experience is an investment in your future, and this book is about maximizing that investment. Traveling and living in another part of the world is one of the most significant and unforgettable experiences you will ever have, but it is also an experience that requires preparation and education. The culture you will be exposed to is just as important to understand as the language; however, every year thousands of Koreans invest millions of hours in learning English with virtually no time invested in understanding the cultures in which they will be using it. In this book, you will learn: Basic travel tips to save money, stay safe and be stress free. How to fit in and avoid offending people through a deeper understanding of American manners and values. What Americans think of Korea. How to avoid dangerous people and dangerous places when traveling around America. The major cultural differences between Korea and America that you NEED to know. How to avoid gaining weight when living in America. The differences between Korean and American dating cultures and how to date an American.

About the Author Danny Kessler is an English teacher at Youngsan University and a self-defense expert. He is the founder of Angels with Attitude, a company dedicated to promoting women's personal safety. His company has been mentioned on The Today Show, NBC Nightly News, and Fox News Online, and in the New York Times and the Wall Street Journal. He is also the author of Angels with Attitude: The Socially Intelligent Women's Guide to Personal Safety and Travel: A Korean's Guide to America. He is currently living in Busan, South Korea and researching his next book on East Asian food culture. You can find out more about his work at <http://www.dannykessler.com>
