2 of 2 people found the following review helpful. Almost as good as thereBy Jennifer J SundheimRich, beautiful photographs are a trademark of Arizona Highways travel guides and Stocker's book is no exception. It will not disappoint. The photographic tours give you a real feel for the land and will help you focus (or perhaps expand) your trip. And if you can't find the time or money to actually get down to Arizona for a while this is almost as good as being there.

Item is in very good condition. Minor shelf wear. Minor wear due to age. Clean and bright with only slightest of wear. Indexed and color photography throughout.
