Robin Cole Jett : Traveling History with Bonnie and Clyde: A Road Tripper's Guide to Gangster Sites in Middle America before purchasing it in order to gauge whether or not it would be worth my time, and all praised Traveling History with Bonnie and Clyde: A Road Tripper's Guide to Gangster Sites in Middle America:

2 of 2 people found the following review helpful. the descriptions of the locales are great, and it gives the reader (and traveler) a ...By Lewis SofmanI used this book as a road trip travel guide and found it quite accurate and well written. The maps are quite helpful, the descriptions of the locales are great, and it gives the reader (and traveler) a feel for the roads traversed by Clyde Barrow and Bonnie Parker in those fateful days. I personally visited the Bonnie and Clyde Ambush Musuem in Gibsland, LA to get a better feel for the outlaws; the book got me there and to the actual ambush site on state highway 159 easily, along with other sites in Missouri and Texas. Well done!!4 of 4 people found the following review helpful. Buy it read it and think what was going on In Clyde's mind while evading the lawBy GARY W. LANDRUMReading this ,in a way,will put you in the car with them,it will be a good trip to drive to the various locations and try to understand Clyde's method of out running the law And why he chose his targets to rob,it's seems that he only wanted enough money to survive on,he s a very courageous man who seemed trapped I. A life of crime without an exit strategy,Bonnie was a stand by her man till the very end,what a lady3 of 3 people found the following review helpful. Follow in the foot steps of Bonnie and ClydeBy CustomerThe book covers many sites which Bonnie and Clyde visited. Without this book one would have a difficult time finding and visiting. It is well worth the money for direction to find the sites.

While it's been 75 years since Bonnie and Clyde met their violent deaths, their story continues to fascinate - where did they live? How was life on the run? This book helps to complete their saga. By traveling through Texas, Oklahoma, Missouri, Iowa, and Louisiana, the reader can see the places where the Barrow Gang terrorized some and enthralled others. A real Depression-era treat!

About the AuthorRobin Cole Jett teaches history at North Central Texas College. She lives in Lewisville, Texas, with her husband and son, who like to come on road trips with her. Visit her at <http://www.redriverhistorian.com>
