Julie Albrecht Royce : Traveling Michigan's Sunset Coast before purchasing it in order to gage whether or not it would be worth my time, and all praised Traveling Michigan's Sunset Coast:

4 of 4 people found the following review helpful. Excellent resourceBy Jessica VoigtsIf you're headed to Michigan's Sunset Coast - which you should since it is one of the most beautiful places I've been - then you definitely need this resource guide. The book offers a complete description of places to eat, stay, and visit while traveling the sunset coast. I looked up many of my favorite restaurants, and indeed, they were listed and recommended - as well as many that I had never heard of before! The first part of the book is a resource guide, while the second half provides a history of

Michigan, including ghost sightings, ship wrecks, lighthouses, sand dunes, and legends. This is a fantastic travel guide to a lovely part of the United States.

Part One of Traveling Michigan's Sunset Coast is your travel guide. It provides information on adventures waiting along the western shore - from places to play and places to stay to plenty of eateries along the way. Part Two is a bit of history and a bit of fun. It is a beach read for your travels. You will learn about lighthouses, ghosts, coastal critters and creatures, shipwrecks, and famous and infamous people with Lake Michigan ties.
