Good Book to Guide You Down the Trace By David Roddick My wife and I drove the Natchez Trace and found this book valuable otherwise I think the trip would have been a little boring. Glad we had this book. 2 of 2 people found the following review helpful. Natchez Trace... By Michelle Polk A very good book to

follow along while traveling the Natchez Trace. It has lots of tidbits of historical information and accurate descriptions of sites along the way. I enjoyed reading this book to my family while driving the 460+ miles of the Trace.
